Dear Parents and Caregivers
 Welcome back to our final term for 2019. I trust the holidays were restful for you. As this term is only 9 weeks long, it will be a very busy one. I am looking forward to the term ahead and the many exciting events we have planned.

2019 YEARBOOK
 Students and staff are busy preparing class and group pages for our 2019 Yearbook. This is a wonderful publication that is a great memento of our students' time at Wairau. Below is a preview of some of the pages in the 2019 Year Book. Order forms will be sent home in the next couple of weeks and the Year Book will be available for purchase at the subsidised price of \$5.00.

2020 ENROLMENTS
 Enrolments are still being accepted at Wairau Intermediate for students wishing to enrol for 2020. For children who were not born in New Zealand and who do not have a New Zealand passport, we will require one of the following:

- Student's residence permit or returning residence visa
 - Parent's work permit and student's permit/visa
 - Student's New Zealand citizenship certificate
- For international fee paying student enrolments, please contact our International Student Manager, Suzie Birch, to make an appointment and to obtain an international student enrolment pack.

To assist with our 2020 planning, and to help with class placements, we ask that all enrolments are submitted as soon as possible.

KINDO
 The Kindo payment option is now live! Many of you will be familiar with Kindo through your child's primary school and this is now our preferred method for payments to school. To set up an account, parents/caregivers need to go to the school website www.wairau.school.nz and click on the link. When you register, your email address has to match the one that we have on our files so if you have recently changed it, please let us know.

kindo.
 the online shop that makes every payment easy

ART EXTRAVAGANZA & ART EXHIBITION OPENING
 On Monday 11 November we are holding our annual Art Exhibition and Extravaganza where art work by the students of Sunnynook, Forrest Hill, Hobsonville and Wairau Intermediate Schools will be on display. Once again we are incorporating market stalls in this annual family event. The evening begins at 5.00pm with singing, dancing, marimba and cultural groups all performing on The Terraces, our outdoor performance area. Students from both Wairau Intermediate and Sunnynook School will be performing. The art exhibition can be viewed from 5.00pm. There will be food and refreshments available for purchase along with craft items. Entry is **free** and friends and family are all most welcome. The evening is always a wonderful occasion and we look forward to seeing you there!

Parents and friends can also visit the exhibition on Tuesday 12 November and Wednesday 13 November from 9am-4pm.

ICAS SCIENCE RESULTS

Certificates for the ICAS Science test were presented last week at our assembly. Congratulations to the following students who received high performance certificates:

Certificate of Distinction: Bohan Jiang

Certificate of Credit: Migael De Wet, Alaiz Kassibawi, Maheen Khan, Junya Kim, Elin Vincent

Certificate of Merit: Samuel Kim, James Oandasan

ICAS DIGITAL TECHNOLOGIES RESULTS

Certificates for the ICAS Digital Technologies test were also presented last week. Congratulations to the following students who received high performance certificates:

Certificate of Distinction: Nathan Holl, Robert Iuoras, Bohan Jiang, Nour Kalache

Certificate of Credit: Alya Bogaeva, Logan Stirling, Maheen Khan, James Oandasan, Vanessa Stirling

Certificate of Merit: Mia Ding

ATHLETIC SPORTS

We are holding our school athletic sports tomorrow at the Millennium Stadium. If there are family members that can assist with timing, measuring, recording etc, it would be very much appreciated. Please contact the school office if you can assist us. Buses will leave the school at 8.45am and return at 2.00pm.

LIFE EDUCATION

The Life Education Trust will be working in our school for two weeks from 18 November. The programme has been run in schools for many years and has the following aims:

- It encourages children to make healthy choices
- Children gain knowledge about health and their bodies
- Children develop a sense of self esteem and a positive understanding of themselves
- Children develop strategies for relating to others
